## Customer Reviews

Beautiful photos! I love photos that zoom into the subjects. Great calendar.

Very nice high-quality paper. I have only had it a couple of months. I just hope it doesn't curl up in the humidity of the bathroom as my others do. But time will tell. The pictures are lovely!

Very pretty! Pages are quite thin though so careful if you write on the pages it will likely leave an impression on the next month - not the ink, just the indentation of what you wrote

I love the calendar. The flowers looks real. The way they took the picture of the flowers very professional. I also like the size of the calendar.
