This book is simple, but cute and the counting is fun. My daughter and I had fun counting along on each page. It is a simple book with a simple story, but it has great illustrations and it's engaging for the little ones.

Great book to read to your preschoolers in preparation for a field trip to a pumpkin patch.

Love this book. Every page rhymes. My 4 year old loves this book. Great fall book, with pumpkin facts. Book is a group of school kids taking a school field trip to the pumpkin patch. Counts down from 20 to 1.

Fun book for kids going on a pumpkin patch field trip.

We love this book and read it over and over during October!
