Age Range: 8 - 12 years

Grade Level: 3 - 7

Customer Reviews

The Venezia series of books and videos are absolutely wonderful! We use them in our art history program for schools. I liked this book as it represents the artist well and understandably for elementary aged students.

This was a gift for my nephews. I wanted them to know who the original Ninja turtles were.

Got for my 10yr old who loves art. Written to relate on kids level with lots of factual information. He really enjoys it.
