## Customer Reviews

This baseball activity booklet is the perfect children's birthday gift (or add-on gift to a book or DVD) for the baseball fanatic. It arrived in some wonky wrapping but the condition of the book was pristine..so it's all good.

We put these in the little goody-bags for my son's baseball themed 6th birthday party. I love the super low price, travel sized book, and all of the jammed packed games. Such a great buy! I think a good age is 6 - 10, because it requires some reading to play the games.

ordered a dozen for my son's baseball team. I inserted into their snack book for each kid. All the

parents love it. Good addon for your baseball party and game snacks

Fun, fun, fun for baseball lovers old and young. Grandson loves to do these puzzles and keeps him busy for hours.

My grandson thought it was great and it is small so he can take it with him anywhere like in the car on trips.

Very small size maybe ok if you were traveling. Have to wait and see after all the kid shoves his face in an iPod all the time so this might not be much worse. I was just expecting something a little larger.

My Grandsons loved this!

A VERY SMALL BOOK, HOWEVER MY BASEBALL FAN GRAND-SONS STILL ENJOYED THEM. EACH PAGE HAD A PUZZLE AND/OR A RULE ABOUT BASEBALL. A YOUNG PERSON COULD LEARN A FEW THINGS FROM THIS BOOK.
