Customer Reviews

Bought this for my Mom (she's 85) for her birthday. She loves finding the hidden items. She also likes spot the difference puzzles. She was thrilled with these (I bought her 3 books). I have a cousin who is 82 who also love these, but he has a subscription to Highlights for many years. He told me about these books, and they are just what my Mom needs to keep her brain active.

Perfect perfect perfect for my 4 and 5 year olds. This is a great quiet-time activity that they can do on their own. We keep Hidden Pictures books in our car, and each one has one for their bedrooms if they stay up a little late or wake up a little early. Also fun and easy to do together. LOVE these books.

This is a fantastic hidden picture book! My 9 & 10 yr Olds love it and is challenging enough to keep their attention!

My 5 year old grandson loves this!

This keeps me busy and using that brain power. As a senior citizen it is one way I can keep thinking for children but everybody in our family enjoy it during family game time.

Very entertaining and keeping my brain from going stale.

It exactly fit the age group that it said it would
