Beanie Baby Collector's Journal And Display Case With Other

Synopsis

Now, for the first time ever, collectors can catalog their Beanie collection in this handsome journal and display their favorites in this unique display. The recordkeeper includes space to record over 120 Beanie Babies' vital statistics, such as name, birthday, retired date, place of purchase, current market value, and other details that personalize a collection. The display case, which comes shrinkwrapped with the book, folds out into 27 display compartments-with removable labels provided for each compartment so that collectors can alter their display as they wish. At \$12.98, this hardcover journal and case are an irresistible value.

Customer Reviews

This book really helped me to becoming more drawn to BeanieBabies. My love for them has skyrocketted as this new book helped mekeep track of the beenies that I own. The only downside to the book is the lack of Beenie spaces, 120 isn't that many. Otherwise irt keeps you busy having fun with your collection.
