Customer Reviews

I highly recommend this journal to all kids of all ages. It has nice gatefolds for a child to draw and dream and lift-the-flaps for hiding secrets. This journal helps a child be creative in their own way and stay productive. It's a keepsake for every child, boy or girl. The perfect gift to give!

I purchased this item for myself because I love the book "Where the Wild Things Are". I was delighted when I received it to see how much care and time was obviously put into creating this journal. It is definitely geared for a young age group but I think anyone can enjoy this item. It is very easily the most beautifully constructed journal I've ever seen. The pictures and art are all printed on quality paper with vivid and rich colors. There are also a lot of neat activities and creative writing suggestions that would help expand the imagination of any child. I would recommend this to anyone!
