# Wizard's World Dot-to-Dot

## Synopsis

Even as children follow the dots to complete images of basilisks (a treacherous, monstrous mix of dragon, lizard, serpent, rooster, and snake), centaurs, and cauldrons, theyâ™ll also find out about the fascinating history of alchemy, arithmancy, and other forms and symbols of enchantment. For every picture, thereâ™s background lore and an intriguing âœdid you know?â• fact. From dragons and druids to elves and fairies, and Merlin too, itâ™s a truly captivating compilation.

## Customer Reviews

Its not often you find a book such as this, and i was blessed to find one being sold at low cost in a book warehouse. I would have picked up a few for friends if i knew how great it is and how hard it is to get.
