## Customer Reviews

My Mom and I used to quote that every time we would go on a trip. This is easily one of the best Wee Sing tapes, now available on CD. My cousin recently had her 2nd baby and I bought it for him. And since my Mom had the NERVE to sell our original copy of this one in a garage sale, I just HAD to download it to my iPod before wrapping it. The nursery rhyme part of it, is also set to a story of Georgie Peorgie, Jack and Jill, and Mary going to King Cole's Birthday party, and on the way meeting other Mother Goose Characters. Here are some interesting facts and trivia on some of the nursery rhymes and lullabies. THERE WAS A LITTLE GIRL. Originally titled "JEMIMA," was written SURPRISE! SURPRISE! by Henry Wadsworth Longfellow about his daughter about a time that she misbehaved. Everyone knows the first verse. But there are two other verses that are almost never anthologized. One day she went upstairs while her parents unawares. Sitting below were at their meals. She stood upon her head on her little trundle bed, and then began hurrayng with her heels. Her Mama heard the noise and thought it was the boys playing at a combat in the attic. But when she climbed the stair and saw Jemima there she took and she did spank her most

emphatic! LUCY LOCKET If you own this product, you'll remember that the poem is sung to the tune of Yankee Doodle. What you may not know is that Lucy Lockett is the main tune and that the yankees got the melody for Yankee Doodle from Lucy Lockett. GOOD NIGHT TO YOU ALL Isn't really a lullaby, but it was a round dating back to the 19th century often sung by quartets in hotels and such as a finale.
