Customer Reviews

I bought the Spanish version for my grandson who's babysitter speaks very little English. It was wonderful. My other grandchildren had loved the English version for many years, but this really helped all of them to appreciate the richness of the Spanish language and also gave the babysitter an ability to read this very special story to him in her native language. The companion stuffed animal is also a very wonderful toy! Llama Llama Plush

My daughters insist on hearing this book every night. Only a little is lost in the translation--whoever translated it, did a good job. I rewrote one page because I just didn't like how it was written, however, overall nice translation. My kids have it memorized, and they won't even let me read it. i

just turn the pages and they do the, "reading."

MI NINO TIENE 2 ANOS Y LE ENCANTA ESTE LIBRO. LAS IMAGENES EN ESTE LIBRO CAPTURAN LA ATENCION DE MI NINO. MI HIJO SIEMPRE ESCOJE ESTE LIBRO EN LA NOCHES. ESTE LIBRO LES ENSENA HACER PACIENTE A LOS NINOS. MUY RECOMENDADO.

I started reading this book to my daughter when she was 15 months old, I bit too long at the time but she still laid quietly to listen to the story. Now at 2 1/2 years old, she's definitely engaged in the story line and absolutely loves the book. By the end of the story she's ready to sleep without fussing. The Spanish is acceptable, though not very competitive.

This book is every bit as wonderful as the English version! My son love it. You can't go wrong with Llama Llama!

I wish they would translate the other books into Spanish, as we read primarily Spanish books in our house.PUBLISHER - Translate more LLAMA books into Spanish, please!!! :)

So nice that this book is printed in Spanish. The Llama llama series is absolutely adorable & this was a great addition to our library for our Spanish-speaking babysitter

We love this book in Spanish and English. Super cute and a great bedtime read. Muy dulce y divertido para leer antes de dormir.
