Pete The Cat: Rock On, Mom And Dad!

Synopsis

Rock out with Pete the Cat in New York Times bestselling artist James Dean's Pete the Cat: Rock on, Mom and Dad!, complete with stickers, cards, and a poster! Mom and Dad do so much for Pete that he wants to thank them with a special surprise. But what can Pete do that will show Mom and Dad how much he loves them? In this groovy story, Pete learns that the best way to say thank you is to mean it. Young readers will love watching Pete surprise Mom and Dad with something totally awesome.

Grade Level: Preschool - 3

Customer Reviews

We have two Pete the Cat books ("I Love My White Shoes" and "Four Groovy Buttons") and they are some of my children's favorite books. The Pete the Cat books we have grown accustomed to are original and unique, this one is not at all like what I was expecting. The words to this book are exactly the words to the classic "Old MacDonald Had a Farm" with nothing added or taken out. I expected a little twist on the original song, but there was none.

Nice book for my class, I use it around Mother's Day before I have kids make cards for their parents for Mother's and Father's day. It gives kids ideas about what their parents do for them and what they

should be grateful for.

"Way cool adaptation of Old McDonald"?????.....Please! This book consists of nothing but the original "Old McDonald" song with Pete the Cat illustrations. There's nothing original about the story and Pete is never even mentioned in the text. See for yourself by clicking on the "look inside" option above. A big BOO to James Dean! It's not all good! Please put some effort into the next Pete the Cat book. This isn't worth the paper it's printed on. Save your money!

This book was a disappointment! Pete is in the illustrations; but, he's not in the story! My son and I like the song/stories of the other books much better.

This was purchased for a barely 3 year old to give to her parents for Valentine's Day. There is a poster and stickers so it was challenging to discourage her from looking at those items as we prepared it as a gift. Once she opens the gift with her parents, I think it will be fun for them to read the book, play with the stickers, and to hang up the poster. It is a nice read also for a toddler/small child.

This is a very sweet book about how you can make a great gift for your parents by just doing what you do best. Pete the Cat is a great role model for young kids. He looks at life with a positive attitude. I like how, while Pete is thinking of what he can do, the picture shows his idea, which is good in thought, but it usually ends in trouble (mowing the grass = accidentally mowing a flowerbed). It made me chuckle! This is a marvelous book! The book comes with a poster, little cards for your parents and stickers too!*NOTE I got a free copy of this book in exchange for an honest review

Remind me, the next time I create a fantastic avatar called Pete the Cat who is loved by all as he wades past the blueberries and the mud and just keeps on singing his song, to get a lock down on my contract with the illustrator preventing him from creating a side line of rip off books that just tarnish the name of Pete the Cat with their -10 degrees of originality. Excuse me? Pete the Cat: Old MacDonald Had a Farm is just that. The lyrics of Old MacDonald Had a Farm with some admittedly cute pictures of farm animals. But although those farm animals are cutely bug eyed and he does throw in a frog, there's nothing new here, no subplot, like "Old Macdonald had a Workshop," or anything new to this. If you need a new copy of Old MacDonald, this is pretty cute.

Otherwise...James Dean is either trying to cash in or, even worse, he thinks his pictures of Pete the Cat or more important than the "real" Pete the Cat stories have so charmed us with. I've heard so many people say, "Wow, imagine the writer of xxxx Children's Book got paid to do that, anyone could do that." So sad to think that James Dean might be in that camp. Here's a strange revenge: because libraries shelve this under Dean instead of Litwin, it won't earn much more than an accidental leadership, placed so far away from the genuine article.

I bought this book for my 6 year old daughter for doing great in school. She was SO excited to get the poster, which is on her bedroom door, and stickers. We read it at least once a week. She is huge Pete the Cat fan! These books are the only way we got her to read. She is now willingly reading on her own!
