Pete The Cat: Sir Pete The Brave (My First I Can Read)

Synopsis

New York Times bestselling author and artist James Dean brings readers a new story about the most gallant cat aroundâ”Pete! This time Pete is a knight on an adventure to save a pal in Pete the Cat: Sir Pete the Brave. When Lady Callie, the most awesome harpist in all the land, goes missing, itâ”™s up to Sir Pete to save her. But when he ends up trapped in a dragonâ”™s lair, Lady Callie might have to do the saving. Pete the Cat: Sir Pete the Brave is a My First I Can Read book, which means itâ”™s perfect for shared reading with a child.

Grade Level: Preschool - 3

Customer Reviews

My daughter absolutely loves Pete the Cat. She loved this book and is easy enough for beginner readers to read alone, she loved the story and the characters and illustrations are just adorable. I'm so glad that she has a favorite book character to keep her interested in reading. She read this alone and then read this to her younger sister right away, she even did a book report on this book as part of her homework.

My 3-year old son loved this book. I downloaded the Kindle version and while it's not as tactile and

handy as a printed book, you can double tap the text on the Kindle and the words will pop up for easy reading. Of course, my son can't read just yet, but that is helpful for him to connect the text with that is going on in the images on the page. ***Minor spoiler alert (if you don't want to know the story, don't read on, but if you're a parent, I imagine you might want to. :) ***It's an entertaining read and also teaches some lessons. Although the book starts out as a kind of 'damsel-in-distress' and a "knight-in-shining-armor-to-the-rescue' story, but as it progressed, it showed Lady Callie going in to save Sir Pete the Brave from the dragon. It's also funny (at least for an adult), how the story showed them arguing about who gets to save who. Then the story moved over to the dragon about how it just wanted to sing, and Sir Pete and Lady Callie tells the dragon that he needs good friends to make good music. Then, the dragon carries Sir Pete and Lady Callie back to their friends. The dragon saves the day! The graphics are also nicely drawn, with good colors.

It is a birthday present for my grandson and birthday in November

Once again Mr. Dean did not disappoint. I purchase them for my young niece and nephews and if they like them I know they are good. I also love how there is always a lesson being taught in the story.

My kids adore Pete the Cat. This story is a little different than the rest, but still very entertaining and of course with loveable Pete, the kids loved it.

We enjoy Pete the Cat books. My 3 and 2 year old find Pete amusing. The books have fun illustrations and a nice price point

My smallest grandson loves the Pete the Cat books. He likes some of the others a little better but still a good book.

Not the best Pete the cat story ever written, but my kids still liked it because it's Pete the cat.
