Synopsis

Holy guacamole! Meet the #1 *New York Times* bestselling Skippyjon Jones! Skippyjon Jones is no ordinary kitten. Oh, no. . . .He's actually El Skippito, a great sword-fighter ready to battle banditos the world over! With a little imagination and a whole lot of fun, this frisky cat dons a mask and cape and takes on a bad bumble-beeto to save the day. And along the way, he'll be sure to steal young reader's hearts, yes indeed-o!My name is Skippito Friskito. I fear not a single bandito. My manners are mellow, I'm sweet like the Jell-O, I get the job done, yes indeed-o. Both feline hero and story are full of beans (more Mexican-jumping than pinto) but ay caramba, mucho fun." Kirkus Reviews, starred review "Buoyant and colorful cartoon illustrations match the exuberant text perfectly." School Library Journal

Customer Reviews

I am normally a huge fan of Skippyjon Jones and loved the other books in the series we've read, so I hate to say anything negative. I bought this book for my 4 yr old twins and while the same adorable Skippyjon Jones is still so entertaining and funny, I was a little uncomfortable with some of the subject matter. First of all, Skippy "steals" dogbones that belong to the bully neighborhood dog, Darwin. I wasn't too keen on that, but I guess it presents an opportunity to talk to your children about

the fact that stealing is wrong. Then, after Skippyjon comes out of his hilarious fantasy, Darwin is banging on Skippyjon's door, the bones come tumbling out and, "The next thing he knew, the kitty boy was waking up on the couch." Turns out he doesn't remember what happened, but apparently got worked over by Darwin. The picture shows Skippyjon on a chair with a bandage on his head and an icebag. His mom is completely nonchalant about the whole thing and seems to have no idea?!? he was beat up. When he asks what happened, she "proudly" tells him he decided to return the bones - all of them. Finally, he is back in his room at night and pulls out his stuffed animal with some little bones he somehow managed to hide and sings, "Oh I'm Skippyjonjones, And I'm not a dog fighter, But I still have some bones 'Cuz I'm the decider." What does that mean?!? A wee bit of control-freak behavior going on here and I guess he got away with the stealing after all. A little disappointing and not the best message. I know Skippyjon is a little stinker at times, but it was depicted in a much more innocent fashion in the previous books we've read.
