## Customer Reviews

The story was sooo funny that I almost broke my funnybone! It all starts when Champ signs up Geronimo Stilton for the marathon and wakes him up every morning to practice. He even dumped a vase of cold water on him! Geronimo also got hit in the ball at soccer 25 times! During the marathon, Geronimo ran the marathon, nabbed a thief, got chased by flies and mosquitos, saved a rodent from

an earthquake, helped find a rodent's watch, saved a drowning rodent, and win the marathon all in one day! At the end of the story, Champ signs up Geronimo for another marathon at the Rattytrap Jungle! The book also have some excersise tips to become a sportsmouse.

HaHaH!!! hilarious book Geronimo's in a Haunted house with a cat that sounds weird and I mean super weird!!!! Geronimo thinks that hes being haunted by a ghost cat but its just two small tiny cats who are useless to hurt Geronimo. They were pulling pranks to make unexpected visitors think the house was haunted they did all the pranks because they didn't want people selling there house. It was a super cool and funny book.

I am a 9 year old boy and it is one of the best books I've ever read. It's a mystery, it's funny and exciting. My sister can't wait to read it. Now I am buying more of the series!

I was in the library and I was finding a book for me to read. So I looked at the bottom of the shelf and I found "Geronimo Stilton Mouse Island Marathon".When I read the title I thought, "This will not be a good book." But, when I looked at the pictures it looked so good and it was a fiction book.The main characters are Geronimo Stilton, Thea, Trap and the nephew Benjamin. In the story Geronimo Stilton was going to run in a marathon and he was scared to run because he didn't want to be last. But he raced.Do you know why I liked it: Because it is an adventure book. If you like to read adventure books you should read this book. -by Kosuke (a student in msdu's class)

My grandson is not an avid reader, however he loves reading Geronimo Stilton books! The stories are fun and exciting and the text emphasizes in fun ways action words. He wants more! So birthdays and Christmas books are not a problem for a couple of years.

My 6 year old LOVES this series. I started buying them, but had to switch to just get stacks from the library since he tends to devour them. The books are fun, pretty educational and great reading level for kids transitioning from picture books to chapter books!

This is a really cute and funny book. Geronimo became lost in a spooky forest, he seeks shelter in an old mansion - but he quickly discovered the mansion was haunted!This is an accelerated reader book. I'm always looking for interesting AR books for my children to read since they have to have so many points every grading period. (AR) reading level 3.4 - AR Pts: 1.0
