Magic Eye 2016 Wall Calendar

Synopsis

Today's obsession with all things 3D can be traced back to the advent of the Magic Eye craze. Still a source of fascination, Magic Eye images can be viewed without glasses or devices and are even used by vision specialists to improve their patients' sight. This calendar provides 3D lovers with twelve new Magic Eye illusions, along with a solution key and viewing instructions on how to make the 3D images amazingly come into focus.

Book Information

Calendar: 24 pages

Publisher: Andrews McMeel Publishing; Wal Col edition (September 1, 2015)

Language: English

ISBN-10: 1449465447

ISBN-13: 978-1449465445

Product Dimensions: 12 x 0.3 x 12 inches

Shipping Weight: 8.5 ounces (View shipping rates and policies)

Average Customer Review: 4.9 out of 5 stars [See all reviews](#) (19 customer reviews)

Best Sellers Rank: #594,793 in Books (See Top 100 in Books) #60 in [Books > Calendars > Games](#) #209 in [Books > Humor & Entertainment > Puzzles & Games > Magic](#)

Customer Reviews

This calendar is a blast from the past, and I can't wait to hang it when 2016 comes! I have been looking for a Magic Eye for some time around the local stores here, and they have not delivered! I am well-satisfied with this product!

Large wall calendar with space to write stuff on the days. I keep this in my kitchen to help keep organized. I love the magic eye pictures, 4 stars only because some of them are very simple and expected more intricate pictures but all in all very satisfied with this calendar.

I buy a magic eye calendar every year and post it at work. It's always entertaining watching coworkers attempt to view the 3D image for the first time. The calendar's images range from different styles and difficulties to make each month interesting. Would recommend.

Spent over an hour looking at the images that jump from the page. Amazing 3D details and easy to follow viewing tips. Oh, and the calendar is great too. I look forward to next year's images.

Always look forward to the new month to see the new picture. Hangs on my fridge and guests always stop to see if they can find the picture.

These are a lot of fun for all ages... There is a technique learning curve but once you learn it the images emerge quickly...

Every year I buy a magic eye calendar, and every year I was never disappointed! Great purchase, everyone should buy one!

Love it! All the magic of Magic Eye photos on a calendar? Brilliant!
