## Customer Reviews

Great puzzles, challenging but solvable! We do them every morning.

Great stuff. Got the 2014 Will Shortz Sudoku puzzle a day calendar for Giftmas last year and love it. This is more of the same. If you like Sudoku, you will love this calendar.

Large easy to see and do large fonts and spiral bound

My copy has produced at least two puzzles that are only solvable by guessing. This is NOT what I want or expect. Well, maybe not as my program seems to say that they need guesses but other programs don't. So, I revised my stars (no 5 because they don't publish the difficulty)

My wife really likes this daily sudoku puzzle. I get one for her every year and she enjoys doing them daily.

My boyfriend loves Will Shortz sudoku better than any others I have purchased. This was a Christmas present and he liked it very much.

Love Will Shortz
