Tuttle More Japanese For Kids Flash Cards Kit: [Includes 64 Flash Cards, Audio CD, Wall Chart & Learning Guide] (Tuttle Flash Cards)

Synopsis

A fun and kid-friendly introduction to Japanese! The Tuttle MORE Japanese for Kids Flash Cards kit is an introductory Japanese language learning tool especially designed to help children from preschool through early elementary level acquire basic words, Japanese kanji, phrases, and sentences in Japanese in a fun and easy way. The flashcards can be used as a learning tool in a classroom setting, at home, or anywhere that learning takes place, and can easily be taped around the room for an interactive way to learn Japanese. The set contains a total of 64 words organized into thematic categories, including: Nature, Weather, Opposites, Actions, Things I Like To Do, At My House, and Going to Different Places. All of the words are illustrated—the pictures serve as effective visual aids to help children learn and remember each word's meaning. Words often reflect cultural objects and items and can be studied in any order. Learners may focus on one theme at a time or mix them up for a little more variety. Also included in this kit is an audio CD which provides native pronunciation of the words, and sample sentences for practice—sentences that children would use in everyday life. Songs and other activities are also included on the free audio CD. Finally, the kit also includes a wall chart featuring the front of each card for kids to review and a learning guide for teachers and/or parents with tips, activities and more! If your child is really interested in learning more words, and you missed the first kit, check out the Tuttle Japanese for Kids Flash Cards kit (978-4-8053-0904-9).

Customer Reviews

Having used and enjoyed the Tuttle Japanese for Kids Flash Cards Kit (Tuttle Flash Cards), it was a no-brainer to pick up the next set in the series. Like the previous set, there are sixty-four cards here in different categories. The categories are Going Outside (8 cards), Nature (8 cards), Things in My House (10 cards), Things I Want to Do (10 cards), Opposites (12 cards), Weather (6 cards) and Actions (10 cards). The vocabulary is all very basic words and perfect for a beginner's level. On the front of each card is a cartoon picture of the subject, as well as the Japanese word written above the picture. The Japanese words are written in kanji, hiragana or katakana as they would naturally appear in written Japanese. On the reverse side there are two to three sentences using the vocabulary in context, written in standard Japanese (including kanji), romaji and English. Whereas the previous set was mostly nouns, the "More Japanese Flash Cards for Kids" features a wider variety of words including adverbs, adjectives and verbs. The categories also have variety, such as the Going Outside category which has vehicle names as well as the words for "park," "shop" and "school." In the same way as the previous collection, the general card arrangement is very easy to use, and the cards are a nice size (about the size of two standard playing cards laid together) and laminated so they can be used again and again. The sentences on the back use not only the vocabulary of the card itself, but also other words in the set to reinforce retention.
