Hi, The Angry Birds are so darn cute it Stink's! Let me tell you I was acting like a grumpy old lady sitting on her porch yelling at kid's to get off her grass. I told my 9 year old who is down right crazy over the Angry Birds, that the movie wasn't going to be good, the angry birds don't suppose to have legs, they shouldn't be talking blah blah grumpy grumpy. He knew back in 2015 that the movie was coming out. he owns over 50 of the first generation Angry Birds, so let me tell you I we went to see the Angry Birds Movie in 3D and thought this will be a good time to sneak a little summer reading in. I ordered the book "The Angry Birds Movie: Meet the Angry Birds" through Prime got it in two day

and it arrived the day of. My little Honey Pooh (I know a time is coming where he won't answer to that) eyes lit up when he seen the book right before we were heading out to see the Movie. Let me tell you, it was more little people than adults, we had a good time, the movie had some funny adult humor, and it made you happy, angry, awe, oh and NO's and "Are you kidding me" moments. I felt like a kid again. and we stuck around while till the very end to open a new level on the Angry Bird's game, from a watermark that your phone's app could read. With all this said I felt super thrilled when we got home and my son asked, "Can I read you my Angry Bird book?" The book caught all the engry the movie had, the expressions in the book is also funny. I say get the book, see the movie and I'm off to buy some new anger birds with legs and wings.

This was a great book from my 3 yo angry bird fan. We have read the book at least 3-4 times a day since receiving he book yesterday! Def very happy with this purchase!
