Drop It, Rocket! (Step Into Reading, Step 1)

Synopsis

Rocket, the beloved dog from the New York Times bestselling picture books *How Rocket Learned to Read* and *Rocket Writes a Story*, is back in a Step 1 leveled reader. Rocket is ready to find new words for his word tree with his teacher, the little yellow bird. He finds a leaf, a hat, and a star . . . but when he finds a red boot, he doesn't want to let go. What will make Rocket drop it? With predictable patterns, simple words, lots of repetition, and bright, colorful illustrations, this Rocket book will charm young readers—and they can read it all by themselves! Step 1 Readers feature big type and easy words. Rhymes and rhythmic text paired with picture clues help children decode the story. For children who know the alphabet and are eager to begin reading.

Customer Reviews

My son (5 years old) picked out this book because we were getting bored with the ones in his collection. I let him order at LEAST one new book a week, but in most cases I get him more than that because we're trying to get him ready for kindergarten this year and I want him to have a jump start. Sometimes I pick the book (usually when a Step 1 type reader goes on sale I grab it), but this time he wanted to pick so I let him. He had many choices, and he decided on this one this time around. I think it was a perfect choice. There is a LOT of repetition, which is great for a learning

reader. A lot of rhyming too, so he was able to learn a few new words and he was so excited he was able to read most of this book without any of my help! We read at LEAST one story every night before bed, but normally we do 2-3 between him and his baby sister wanting different stories. It's an every night thing so we can get him interested in reading, and reading better by the time school starts. I'm really glad he chose this one, because he loved it, and my youngest loved listening to him read it as well. Great addition to their little collection!***DISCLAIMER:***-I purchased this item at it's full retail price at the time of sale, I received NO discounts or influence in buying this product.-I purchased this product after doing a search on , and was not contacted by the seller in exchange for this review.-The views expressed here are my own, based on my personal use and experience with the product.
