Customer Reviews

This is such a good agenda! I've been looking around for a 2012 planner and this is the only one that I loved at first sight. When it shipped, my brother in law wanted it for himself- no joke lol. I love how it has inspirational quotes and verses to keep you going, and to do lists for each week. I am a very organized person and this is great. The reason why I put four stars instead of five is because I thought it would be bigger. But all in all a great nifty agenda!

I was looking for a planner that allowed me to keep up with appointments. But this had so much more it provided to do lists on each page weekly, plus it had a whole page to set monthly goals. Along with biblical insights, quotes and tips to become a better you. I am anxiously waiting for the bee years planner and can only hope that they do it again.

I live by this planner! It's a great product, and I don't know what I'd do without it. Was hoping there

would be a 2013 version, but I haven't yet seen one. This planner fits right into my purse, and is filled with inspiration quotes and messages, and places to write down monthly goals, daily events and plans, weekly to do lists, and contact phone numbers. I'm pleased with the purchase and would recommend it to others!

2012 Planner: A Better You! I bought this item in November thinking I would receive a 2013 planner. I paid full price for one that was of no use to me.
