## Customer Reviews

Love, love, this calendar! It is easy to carry and the readings are a pick-me-up. I love having the monthly calendar as this is the main section I use. It is an easy way for me to keep track of what is going on between my husband and myself. I have used the Helen Steiner Rice For Each New Day Planner for several years. The only thing I dislike about the 2016 calendar is the color. It shows dirt so easily so the deeper colors are much better.

This is a lovely day planner. It has Biblical verses which I really enjoy. There is a lot of space for notes and things to do. Month at a glance and daily spaces. After I received it, I purchased one for my mom. Great planner for the price.

I love these planners. I get one every year
