## Customer Reviews

I cannot say enough about positive day-to-day affirmations. I have looked over my new calendar and cannot wait to put it on my desk at work. Dottie, West Warwick, RI

Joel's book has been the second one I have read and enjoyed. It has the best instruction for the best results, in applying the Christian principles that are given in this publication, you can move through life with ease in knowing that God is with you and helping you along the way. You do have to do the work to receive the results, anything we do takes work, it does not come free, the results we get set us free to live our lives in peace and happiness. Each one that reads this book, my prayer is that they will get the best results in their walk with God and have the freedom from the things they release and let go of, putting their trust in God and following his direction with complete faith, that he will bring you through. So live life to the full in all you do by God's grace. Rowland Alexandria Va

I have this calendar and I love it. It is just what I need to start the day off. Today is 9 Feb and I read from his calendar: "...Give birth to the dreams and desires that God has placed in your heart." And that's what I do day in and day out in faith. It's only February, so you can still get this calendar for the rest of the year! I am the author of: One Boy's Struggle: A Memoir: Surviving Life with Undiagnosed ADD Bryan

I look forward to reading each day's topic. Some days it seems as though it has come at the perfect time when I really need something. I believe this is a blessing in disguise.

This is an excellent inspiring daily calander. Each day has something positive and thought provoking to apply to daily living.

This is a wonderful calendar! Each day has an inspiring message and scripture. Get it! You will treasure it!

How does Joel Osteen do it? Oh yes, the Holy Spirit!The Bible states "you shall know them by their fruit". With that said, be assured you will thoroughly enjoy each days message from a man who obviously spends time with the Holy Spirit.Thank you Joel for choosing a life and career that points anyone who is willing to the truth.Daily, practical application of pure and simple Gospel. In today's world, this is a welcomed approach to drawing closer to our creator whose every move is motivated by His love for us.
