Sacred Celtic Sites 2014 Wall Calendar

Synopsis

Whether naturally occurring or built by human hands, the sacred sites of the ancient Celts are stunning in their beauty and diversity. From geographic features like waterfalls and tors to giant chalk hill carvings and famous stone circles such as Stonehenge and the Ring of Brodgar, these thin places doorways to another realm, divine places of spiritual awakening are steeped in myth and legend. The Sacred Celtic Sites wall calendar will take you on a magical journey to the most hallowed places on the Celtic landscape. Mara Freeman, an expert on Celtic spiritual and sacred traditions, guides you through timeless monuments that are as awe-inspiring today as they must have been millennia ago. Each month offers a luminous photograph accompanied by an informative history of the site and its significance to the ancient Celts, who left their enduring signature on these incredible wonders.

Customer Reviews

Really lovely product, very glad I was able to get a copy. The images are crisp and clear and really gorgeous, the Calendar itself has additional information and decently sized squares to mark useful dates. It is also the most comprehensive wall calendar I've come across as far as marking holidays (outside of a calendar marketed as a way to track obscure or unusual holidays) everything from Lent to Imbolc and loads of secular holidays in between. Very cool.

I like this calendar - the pictures are good - I just wish they would come out with a calendar that is just standing stones & ancient prehistoric stone sites, instead of mixing up the pictures with much later historic sites.

This calendar is filled with great photographs and lots of history and information to go with them. It seems to have a good amount of holidays, both religious and U.S. national, and it includes the phases of the moon.

I really like this calendar. Some of the sites I have seen and some I haven't. Information on them is really is very well done as a side bar. Special dates are noted daily for many religions and astrological information. Well done.

Over the years I have always had one main calendar that centered around England and its history. Usually, they were towns, churches, etc. This time I stretched it out to more Celtic in origin. Great Calendar
