I LOVE this book! It's soooo much fun creating my very own diary. I begged my parents for the book and I'm so happy they got it for me. I write in it EVERY DAY!!! I just love Dork Diaries!!!!!!! :)

This is awesome my daughter loves it so much. She is really expressing herself better these days! I am so happy to see that she can feel good about herself.

It was awesome another great book for Rachel Renée Russell. I hope a new book will be out soon they are great books funny with a lesson

Fun reading for a child. These books are always a great break from required reading. For a few hours, our child can relax and read without having to think about AR Book points or testing.

OMG !so cool for children. 5-12 (Dork up)sometimes I dive into the book of this page it's so cool wow!

My daughter is 8 and has really been into Dork Diaries lately, so first we bought "How to Dork Your Diary", which she finished, so I bought her the "OMG! All About Me Diary". This is something you can write in every day, and it is a little different style journal that she enjoys writing in. The OMG All About Me Diary has questions for kids to answer, so it helps the thought process and gets their creativity going. Overall, this is a nice journal because it is hardcover and lots of pages to write on. I feel like it encourages both reading and writing, between the reading in this book and probably gets kids more interested in Dork Diaries (if they haven't read them before), and also has them doing lots of writing. Lots of fun!

Ok, I am in 6th grade, but I loved the book! A lot of peeps thought it was a how-to, but this is just asking cute questions to fill your diary! If you want a how-to, I highly recommend the Dork Diary 3 1/2. And if you are wondering how to answer the questions on the kindle, leave a note and fill in answer. Please do not hesitate to get this cute time-passing Ebook!!=3

My 9 year old just purchased this book yesterday at the school book fair. She's already half way done! LOVES it!! She's not one to just pick up a book and start reading, but with this one, she can't seem to put it down! I think Santa will be bringing many more books!!
