The Story Of Babar: The Little Elephant

Synopsis

The classic story of literature's most beloved elephant. After his mother is killed by a hunter, Babar avoids capture by escaping to the city, where he is befriended by the kindly Old Lady. Later, with cousins Celeste and Arthur, he returns to the great forest to be crowned King of the Elephants. With the original illustrations from Jean de Brunhoff's 1931 classic, this first Babar story has enchanted generations.

Book Information

Lexile Measure: 460L (What's this?)

Series: Babar (Book 1)

Hardcover: 56 pages

Publisher: Random House (1961)

Language: English

ISBN-10: 0394805755

ISBN-13: 978-0394805757

Product Dimensions: 8.3 x 0.4 x 11.3 inches

Shipping Weight: 14.4 ounces (View shipping rates and policies)

Average Customer Review: 4.2 out of 5 stars [See all reviews](#) (105 customer reviews)

Best Sellers Rank: #6,950 in Books (See Top 100 in Books) #25 in [Books > Children's Books > Animals > Elephants](#) #174 in [Books > Children's Books > Classics](#) #502 in [Books > Children's Books > Action & Adventure](#)

Age Range: 4 - 8 years

Grade Level: Preschool - 3

Customer Reviews

Thank God for the French speakers of the world. Were it not for them, Babar might not have ever been created and we would have to live in a wretched Babar-less world. As it is, however, we are blessed to have this delightful story at our fingertips at any time. The story of Babar was originally published in 1933, and it has stood the test of time with dignity and flair. The story of Babar is simple. After his mother is shot by a cruel hunter, the little elephant runs away to a metropolitan city. Once there, he is taken under the wing of a kindly older lady. Babar then proceeds to become the greatest dandy of children's literature today. Here is the section I love the most: "Babar then buys himself: A shirt with a collar and tie, a suit of a becoming shade of green, then a handsome derby hat, and also shoes with spats". Contrary to popular thought, an elephant in spats is the most dignified thing in the

world. With these purchases Babar has transformed himself from rural rube to the original metrosexual. He becomes cultured, learning the rudimentary aspects of human civilization while regaling party guests with his tales of the forest (note his pin-striped pants and casual dinner jacket). Eventually Babar is lured back to his jungle home and is swiftly crowned King of the elephants. The 1933 setting in which Babar acclimatizes himself has grown more charming over the years. And most remarkably? Most older picture books contain at least one racial stereotype somewhere in the midst of a picture. Not so our darling "Babar". I feel safe in saying that you might search through any future adventure of the winsome elephant and not stumble across a single picture or piece of writing that causes you a twenty-first century gasp of disgust.
