## Customer Reviews

This book was dedicated to my child's class after the children wrote letters to the author. The book is adorable and would highly recommend it as well. Very grateful to the author.

I love this whole series. Great facts about the animals included, my favorite being the Townsend long eared bat!

My kids love the "What if" Animal books. This is another fun and interesting one. Keep them coming!

Cute book teaches about the different animals and some I've never heard of bought for a 5 year old

Great book! I even learned a lot before reading it to my class, plus my first graders loved it!
