American Symbols (Chester The Crab's Comics With Content Series)

Synopsis

Which words were added to the Pledge of Allegiance decades after it was written? What color was the White House before it was burned? How did American students help pay for the Statue of Liberty? Who carved Mount Rushmore? You'll learn about these and other famous American icons in this funny, colorful graphic novel that will excite reluctant readers, prepare students for standardized history tests and help homeschooling parents!

Customer Reviews

These comics are enjoyed by our entire family. Our 10 year old son can't seem to put them down as the illustrations and content are clever and entertaining. We love how Bently Boyd brings history to life in a fun, creative and easy reading style for all reading levels. After my son is finished reading he can't wait to share what he read with the entire family. We have acquired the entire set of Chester Comix with Content Series and love them all. These make a GREAT gift for anyone of any age or even for teachers as they are an awesome learning tool. A gift that keeps giving. This is a definite must have for the entire family. ENJOY!
