# The Cat's Quizzer (Beginner Books(R))

## Synopsis

Are you smarter than Ziggy and Zizzy Zozzfozzel? Get quizzed by the Cat in the Hat in this classic Beginner Book by Dr. Seuss! Do fish sleep with one eye open? What do they call one-eyed eyeglasses? Are snails faster than turtles? How many will you get right? (The Zozzfozzels got them ALL wrong!) Featuring a mixture of picture puzzles, logic tricks, and silly questions, The Cat's Quizzer will keep readers fascinated with a wide array of facts and fun! Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.

## Customer Reviews

This book clearly deserves more than five stars, and is one of the very best Dr. Seuss books for beginning readers. The only thing that's missing are the rhymes!"Here is Ziggy Zozzfozzel with his sister Zizzy." "They got every question wrong.Are YOU smarter than a Zozzfozzel?" "Aw, if school had only been full of challenges like that, everyone would have focused on learning instead of grades. Some may object that by setting the standard low, accomplishment is stilted. I think it is enhanced, because children will want to get as many more right as they can versus the Zozzfozzels.By the

way, although this is a book of quiz questions (nicely feeding into the mania of shows like Who Wants To Be a Millionaire?), this is the teacher's edition. The answers can be found on pages 58-62. Let me begin by praising this book as a beginning reader. Each item is well illustrated so that a child can associate the words with the images. There is a lot of variety in short words (only a few words are long, like the nonsensical name, Zozzfozzel). So a youngster can learn more words from this book than from 2 or 3 of most beginning readers. That makes the book more valuable. Also, the context of asking questions makes the words and images more vivid and memorable, which should speed memorization and learning. Your child can clearly grow into this book over a period of time. The book has mostly pre-school words, but it also has words up to about 2nd grade level. What just bowls me over about this book is the discipline in the quiz questions. First, there are lots of them. So for most children, you will take just a few at one sitting. You could probably work on this book for a week or more the first time you go through it, doing a little bit every day.
