Customer Reviews

We bought this for my daughter to do a report for school. It is full of colorful pictures and a lot of information in language that kids can understand. My daughter is in 3rd grade and it was a great level for her to use for her report. It had a lot of the information she needed and it also inspired her as Alex Morgan is a very inspirational person. I would recommend this book for any young girl.

A birthday gift for my 9 yr old daughter who loves Alex Morgan! She just had her birthday yesterday so she hasn't gotten to read it yet!

Bought this for my two granddaughters, age 10 & 8. They really enjoyed the book and were out

practicing soccer with new interest.

This book is for someone younger than my daughter but she loves Alex Morgan so she didn't care!

My 7 year old loved this book.
