# Presidential Elections And Other Cool Facts

## Synopsis

With this year's Democratic and Republican primaries being hotly contested, the 2016 presidential race is gearing up to be the most pivotal election this country has had in generations. Kids, parents, and teachers will certainly be discussing the election through November. So now is the perfect time to introduce Presidential Elections and Other Cool Facts to young readers. Children will be fascinated by the history they'll find in this book, including riveting facts about everything from George Washington's election in 1789 to Barack Obama's victories in 2008 and 2012. Questions asked and topics explored include: Who can run for president? Who can vote? What is the Electoral College? What is a third-party candidate? Which Republican president had a Democrat for his vice president? Who was the only U.S. president to be elected for more than two terms? Which candidates have won the popular vote but lost the election? Why was President Truman happy in 1948, when he read the Chicago Tribune headline that declared: "Dewey Defeats Truman"? This book brings history and social studies classes to life as boys and girls learn about important people, places, and events in the history of presidential elections.

## Book Information

Lexile Measure: 930L (What's this?)

Paperback: 48 pages

Publisher: Barron's Educational Series; 4 edition (May 1, 2016)

Language: English

ISBN-10: 1438006918

ISBN-13: 978-1438006918

Product Dimensions: 7 x 0.1 x 8.9 inches

Shipping Weight: 0.3 ounces (View shipping rates and policies)

Average Customer Review: 4.8 out of 5 stars [See all reviews](#) (4 customer reviews)

Age Range: 9 - 12 years

Grade Level: 4 - 7

## Customer Reviews

Fun book presenting election information that kids of many ages can understand, yet not too silly or young to be enjoyed by the slightly older set as well. I think I finally understand the electoral college!

Honestly I am terrible when it comes to politics. The last time I learned about politics was back in junior high when we had to take a test on government stuff. I feel like literally right after that I was so overloaded, I forgot it all! Well this book from Barron's is a great book for kids through adults to learn about presidential elections and more. The book is very easy to read and even has illustrations throughout the book. The book has answers to questions about how the government is ran and facts that are fun to read such as "Who was the oldest president?" and "Which president led for four-terms?" I learned a lot from this book and my 9 year old seemed really interested. It is a great book for parents to pick up a refresher especially if they have curious kids asking them questions about the upcoming election. The format is very easy to read and follow and it is not full of overwhelming text. I received this book to review in exchange for sharing my honest opinion.

This was an amazing book that really had a ton of great facts and figures that any history fan will love, and more importantly it will open your eyes about the world of the Presidents. My daughters and I loved sharing this together and we learned so much and you will too!\*I received this for review - all opinions are my own\*

This is a great resource, but it was a little elementary for my grade level.
