Aaron Is Cool (Step Into Reading)

Synopsis

Aaron the Alligator chills out in this Step 1 Step into Reading early reader by P. D. Eastman (Go, Dog. Go! and Are You My Mother?). Accident-prone Aaron is no match for runaway snowballs and thin ice in this silly, wintry book. Young readers will giggle along as they tackle the simple words and sentences all on their own. Aaron the Alligator also stars in The Cat in the Hat Beginner Book Dictionary and a long out-of-print series called Everything Happens to Aaron, the basis for this book. Look for more of Aaron's Step into Reading escapades: Aaron Is a Good Sport, Aaron Has a Lazy Day, and Aaron Loves Apples and Pumpkins. Step 1 Readers feature big type and easy words for children who know the alphabet and are eager to begin reading. Rhyme and rhythmic text paired with picture clues help children decode the story.

Age Range: 4 - 6 years

Grade Level: Preschool - 1

Customer Reviews

This book, along with its three companions, are taken from four books titled "Everything Happens to Aaron in..." each of the four seasons. This poor alligator never seems to catch a break, no matter what time of year. However, I wish the full books had been re-released instead of abridging them as easy readers. I think they'd make much more sense. Love the drawings, especially of items that have been updated since the mid-1960s, when the originals were written. A CRT TV, for example.

From rolling snowballs, to ice skating, to opening presents, Aaron loves winter. Unfortunately, the accident-prone alligator doesn't always come out of his many experiences unscathed. Good thing he takes his mishaps well! Aaron's laid-back attitude and willingness to keep trying set a good example for young readers, although the fact that he skates on thin ice probably isn't the best example. Many will find his misadventures and obliviousness amusing, especially when paired with the author's tongue-in-cheek voice. The ending wishes readers a happy New Year, making it more time-sensitive, and many of the illustrations have an old-fashioned feel -- perhaps because this is adapted from a title originally published in 1967. Still, it did age well and would be fun for a read-aloud, especially around the holiday season.

PD Eastman - the best. Enough said!! the kids LOVE Aaron, and his books are easy to read but intelligently thought out to keep their interest.

A very simple beginning reader but we especially like it because the labels on the Christmas presents happen to be names of our family members.

My boys love this book
