Customer Reviews

Terrible excuse for a mini calendar. This calendar is bound like a book and cannot be hung flat against a wall. The pictures are just computer generated and look almost like icons. A ship in a bottle, a ship mounted on a stand. Silly. There are no photographs. It looks like it was made at home with power point. Don't let the cover fool you.

I agree with the previous reviewer. I am VERY disappointed in this calendar, in fact, I think I will return it.
