

Synopsis

Each month, The Kidâ™s Awesome Activity Calendar sparks creativity with a full-color scene designed to be embellished with kidsâ™ own artwork and the 400 included custom full-color stickers. Build snowmen in January. Plant a garden in May. Party with some wacky monsters in October. Help a gingerbread man build his house in December. Together children and parents can fill in schedules and mark important events, making the calendar interactive, whole-family fun.

Customer Reviews

Granted we have not yet 'used' the calendar since it's not yet 2015, my son and I still love it. He's looked ahead to see what activities he will get to do for each month and he is very excited to start. He loves that it comes with all the stickers. I really hope this calendar is made each year because I will want to buy one for 2016 :)

This is the best calendar! It has fun little activities with accompanying stickers for each month and large enough squares to write multiple things on each day. My 5 year-old loves doing the activities at the beginning of each page which carries the added benefit of helping her learn the months of the year. It also has a small pocket in the back to hold all of the stickers and a reward chart.

Someone stated there wasn't enough stickers and I thought 'with 400 stickers, why not?' Well, I found out. There were 5 or 6 birthday stickers. They should include a Mom BD, Dad BD, Grandmothers, Grandfathers, sister, brother... well, they don't have to list individual members, but more birthday stickers are needed. Lots and lots of stickers for Practice, Game, Camp, Dance

Class, Music Lessons, Recital, etc...

My 4 year old daughter loves her calendar! Each month has new things to color and stickers, plus there are stickers for holidays and special occasions. I ordered it because she kept asking when holidays are, when school starts, etc. and now I can show her and we mark it together.

My 6 year old loves he's new calendar... This calendar teaches him all the coming holidays, the dates months and keeps him on track like he's school vacations etc..it also comes with this amazing stickers so he can put on the dates when there's a birthday coming a holiday.. It's an awesome calendar

Fun book for three year old. Lots of entertainment. Great pics.

Okay, this calendar rox. It is now my fav calendar. Nice big spaces to write in and creative fun with stickers. Dynamic illustrations.

Our 5 year old son loves this! We look at it very day to see what a special event we have planned for that day. It's great.
