Customer Reviews

The Babymouse books were ordered for my 10 year old daughter. Other than some manga-style comic series (Kitchen Princess for one) she hasn't been much interested in comics. She really enjoys the saucy/sassy girl power type humor of Babymouse. I would rate them a three but she wanted a five rating because she considers them extra fun because she can color them in like a coloring book too. :)

You know...I understand that it's a kid's book...but, it took my daughter 15 minutes to "read" it and it cost me \$6.99. I expected more for that price for a Kindle edition OR a \$0.99 one time read option. I don't mind spending the higher price for a "real" book that I can keep and give to other kids (yes...I can let other kids "read" the kindle version...just not the same) later. Probably won't buy any more kids "shorties" for the Kindle...just doesn't feel very satisfying at those prices. However, my girls enjoyed the ever so brief read. Read....gone...and now forgotten it seems.

My 7 year old nephew requested this book for his birthday. I thought it was below his reading level, but great since it is a Presidential election year. Plus I love giving books as gifts.

My oldest granddaughter started reading these books and shared with her cousin, now both are collecting the whole series! I have ordered all from and ships fast. thank you!

Hey! I'd vote for a cupcake in every locker, or kitchen. My daughter is a B-I-G fan of Babymouse, and it arrived while she had the flu;so that made being stuck in bed better,

Like I said before all of the books in this series are excellent reading for Kids, my daughter is 9 and she never gets tired of Babymouse. I recommend getting the series.

This book sieres is the best I bet If books could talk baby mouse books would be telling Harry potter books and diary of a wimpy kid to move over to 3rd and 2nt place

These are cute quick reads for my girls, too bad the AR levels are so low for them though. My girls

have the whole set and can not wait for the next one to come out.
