Customer Reviews

It seems to be exclusive to , because I've never seen it or heard of it anywhere else! Great series, quick reads. Great for all ages. This is Pokemon. This is a lifestyle choice!

These books are in Japanese format meaning that they are backwards. Reading from back page first. Right side then left. There isn't a single picture that shows this nor is there anywhere in the description that says this. I would not have bought these for my kids had I known they were this way. It says they are "English" but aren't in standard English format. I would rate higher if there was any indication that they were in this format.

every time a new book comes out i have to have it, this one fills the wholes in my collection

book was not cut centered so some images are cut off

Fantastic book!:)
