The Legend Of Zelda, Vol. 4: Oracle Of Seasons

Synopsis

R to L (Japanese Style)The manga adaptation of the legendary video game series, now available in English for the first time! Become part of the Legend â “ the Legend of Zelda!The Legend of Zelda is a high-fantasy adventure based on the wildly successful and long-running video game series by game designer Shigeru Miyamoto. In February 2000, Shogakukan began publication of manga artist Akira Himekawa's adaptation of nine of the most well known Nintendo games in the series. Each story follows the adventures of Link, the hero of the video game series, as he battles the forces of evil to save the Sacred Realm. Oracle of Seasons:In a small village in Hyrule, there lives a boy called Link who has the mark of the Triforce on his left hand. It is a mark of destiny that once again leads Link on a fantastic adventure! Transported to the land of Holodrum, Link meets Din, the Oracle of Seasons. But a plot to steal the seasons from Holodrum unfolds and Link must battle the evil General Onox to save Holodrum and his friends from a terrible fate!

Age Range: 8 - 12 years

Grade Level: 3 - 7

Customer Reviews

Please note: I received this book in the Akira Himekawa Zelda Manga Box Set I bought, rather than acquiring it separately, hence the fact it does not say "verified purchase" above my review. Before I begin my actual review, I would like to take the time to point out something that I always try to say in my reviews of the books in this series; I own and have played almost all of the games in the Zelda

series, including the game that this book was based on, The Legend of Zelda: Oracle of Seasons; therefore, I am very familiar with the characters and events that appear in it. Because of this, you may rest assured that I am well aware of any changes made between the game and the manga adaptation. While Oracle of Seasons and Oracle of Ages may not be the most famous Zelda games, they did have the distinction of being the first handheld Zelda games that were released in full color. Their stories were actually very good, and with their settings being in lands outside of Hyrule, they were certainly unique and adventurous in nature. Akira Himekawa does capture the story of Oracle of Seasons wonderfully in their manga adaptation, even if it is a little different from the original tale. The main storyline is still the same; Link is magically transported to the land of Holodrum by the Triforce itself, in order to undertake a trial issued forth by the sacred relic. There, he meets and befriends Din, a beautiful dancer who hides a very big secret; she is actually the Oracle of Seasons --the one who controls the seasons of the world with her sacred powers. When she is kidnapped by a mysterious villain named Onox, the seasons are plunged into chaos, and Link must rescue Din and defeat the evil before it's too late.
