Warriors: SkyClan And The Stranger #1: The Rescue (Warriors Manga)

Synopsis

Newleaf is coming, and Leafstar is proud to see SkyClan thriving under her leadership. The woods are brimming with prey, the warriors den is full, and Leafstar is expecting kits of her own. But a stranger is lurking near SkyClan's territory, and Leafstar's newborn kits—and the rest of the young Clan—could be in serious danger.

Customer Reviews

I enjoyed this manga book. I always love the insights that The Warriors Manga gives on characters and backstories about the clans. Purchase this book if you want to know what happens between Billystorm and Leafstar. Moreover, Sol appears. It is not revealed what he is up to. There are many interesting things that happen in this short manga story but I am not going to spoil them. I can't wait for the next book because I hope to find out more about Sol's character. I have read the entire Power of Three saga, but Sol's appearance was brief. I was unsure what to make of his character. Definetly, get the book is you are a totally Warriors nerd like me.

My granddaughter loves every single Warrior book and has probably read 95% of them. The Warrior series has been so inspirational, resulting in my granddaughter creating her own fictional Cat Clan illustrations and short stories. BTW, she prefers hard copy books and not books on Kindle,

something to note for pre-teens perhaps.

This manga trilogy has an interesting start. While not as good as "The Rise of Scourge" or the Ravenpaw's Path Trilogy, this book was intriguing enough. And it is a MANGA; a comic, so don't post negative feedback all because it isn't a chapter book! Thanks! Leafstar, leader of SkyClan, is expecting kits, and her apprentices start acting stranger and stranger, until she spots them with a twoleg and they flee. This lures the twoleg to the territory soon enough, and Leafstar and her kits are brought to the twoleg's nest. Her clanmates are plotting a way to help their leader escape, meanwhile she meets Sol (known as "Harry" by his twoleg) in the twoleg's nest. Sol is quite a suspicious character, I have not read much about him. other than in this book. I've wondered what happens to SkyClan after Firestar's Quest and SkyClan's Destiny, and this book seems interesting. It's a good start, and I recommend it to Warriors fans and anyone who has wondered what has happened to SkyClan. The art is decently-drawn, but not my favorite art of the Warriors mangas, and the book is short (about 80 something pages?), and the last 20 pages or whatever are all ads for the other books in this series. I do recommend this book. I am looking forward to the next.

The entire SkyClan and the Stranger series was a thrill ride. I absolutely loved how I got to learn more about each character in manga form. I was so inspired by these books that I'm writing my own fanfiction about Sol. It's called "Banished", and tells about what Sol does after he gets kicked out of SkyClan, but before he disrupts the clans at the lake. I definitely suggest reading this short series!

I liked this book, but when Leafstar was trapped in the two-leg nest, I thought that they spent too much time talking about her thoughts about wanting to go home. And also, when I read about Sol in long shadows, they described him differently than they did in the Mangas. I recommend the other mangas along with this one. Go cat lovers!

its good very entertaining good for all to read warrior cats are my thing so I read it all as soon as I got this

SkyClan and the Stranger is a good book. It is another manga of the Warriors series and is just as well-written and thrilling as all the other books. The one thing I didn't like about this book was the drawings. You can't really tell one cat from another and most of the cats are way too thin. Erin Hunter, of course, just made this book into another amazing adventure, this time from the point of

view of Leafstar, SkyClan leader. Some of the other characters you'll encounter in this book are Echosong, SkyClan's talented medicine cat, Billystorm, a daylight warrior and loving and caring mate to Leafstar, and Harry, who lives with his owner, an old, cat-loving, lady, whose real name is Sol. Sol continues on as a character in further series of the Warriors; for example, the third and fourth. Sol is a strange cat that will leave you wondering about many things that may have answers and may have not. This book is great, but the drawings are a little iffy.

I bought these books for my 10 year old daughter. She loved them. My 12 year old son picked one up and ended up reading all of them. So that was a bonus.
