YO-KAI WATCH, Vol. 2

Synopsis

Nathan Adams is just an average kid until the mysterious Whisper gives him a device that allows him to see what others cannot, Yo-kai of all shapes and forms! Now, armed with the Yo-kai Watch, Nathan, Whisper and their new invisible friends embark on an all-new supernatural adventure! Yo-kai, inspired by the yokai of Japanese folklore, are not ghosts or monsters or creatures. They can't be seen by the human eye, but they're everywhere, and whether they're phantoms or everyday objects discovering their higher purpose, Yo-kai personalities are distinctly humanlike! Volume 2 of this silly ghastly comedy features Whisper, the ghost butler, and hijinks of a jibakurei ghost!

Customer Reviews

As I said before, this franchise is going to be HUGE. Owning and reading these mangas is a great entryway into this epic series that has already taken over Japan. Great stories, great illustrations, and as always, a great read for all ages. I look forward to each release in this series. Dankkyawww

My 10yr old son who loves Anime, video games and pokemon, really enjoys these books. We already pre-order #3.

Ordered for Granddaughter who had seen these in local stores. Ordered and received Vol. I & II. She thinks they're great!

My six-year-old son loves these comics. Great way to introduce you child to comics and reading.

Fun book, in the same vain as the pokemon manga style books.
