Customer Reviews

This book was ideal for my handicapped 26 year old Daughter. She has the brain age of around an 8 to 11 year old. She instantly filled in the pages. It kept her busy for days. It was a tough choice when they asked her, her favorite character. I would recommend this to anyone that loves Winnie the Pooh and Gang!

Great book that a child can fill out themselves once they learn to write. My niece saw my sons book and has been begging for it. Hard to find!

My 8 year old loves this book. It was a great way for her to learn about her being a baby and to keep memories of how she is now.
