## Customer Reviews

This Minecraft story is a little bit different than the rest I have read from this author. I got the feeling like it is aimed at very young children, and mainly girls. It is about the princess so that is more appealing to girls and the whole story is cute and sugary, for the lack of better word. That doesn't mean it is not good, it is, just not for everyone probably. Cute, short and funny story.

What an interesting and funny story of. how Martha learned she was a princess and how she and the others who would react to her being so clumsy. I therefore wish to recommend this for five stars and for grade school girls especially and any girl who may feel the same way that Martha felt. I received this ebook for free and in return, here is my honest review. Great job Billy! I found 1 error while reading this. By Angela

Really cute story for the children this one. The clumsy girl who becomes a princess is truly a characters for kids and especially girls to enjoy. I really enjoyed reading it with my kids and they were fascinated by it. Great job!
