Customer Reviews

HORRIBLE quality. Author stretched poor quality images and pages have the gray mottling from copying on a poor quality printer. Really , why are you selling this?????? I can make one better myself!

Absolutely terrible quality (looks like it was photo copied on 1980s xerox machine, cheap paper, black and white, pixelated images, etc..) and the quotes are repeated (not even 12 in all).

Horrible. Very disappointed. Pictures on the inside are black and white and blurry. Not at all what I had expected.

cheaply made
