Customer Reviews

This calendar has a lot of cute anecdotes, but the box made me think that there would be cartoons and such. I was a little disappointed that it was all words - quotes, stories, jokes. I enjoy it, so I'm still giving it 4 stars.

The calendar arrived on time, with plenty of time remaining before Christmas. Packaging was perfect and I'll return to this vendor next year.

Enjoy reading it but the top part where you take it off tears the paper badly and when you try to take the excess, it tears the next day. Other than that, I am enjoying my calendar.

I purchase this every year for my mom for a goofy Christmas gift. She loves it sits it on her desk at work to provide her and coworkers with a daily chuckle.

Nothing too special but sometimes it's just enough to peek you up in the morning with a funny joke

or inspirational word before work :)

My daughter is a nurse and I get her one of these every year... she enjoys them. She shares the anecdotes w/ her friends at work too!
