Customer Reviews

This is my third year to use the Paulo Coelho hard backed calendar book as my journal. I keep all my appts plus thoughts. I love all the quotes, one on each page. It fits in my handbag and I'm old school and like to keep up with things by writing on paper with a pencil. This is a perfect product for me. It's also very pretty.

I've been buying Paulo's Agenda for the past six or seven years. And I am always very, very happy. This year the cover looks better, and the daily quotes are fantastic (probably thanks to Twitter) Books may go to electronic platforms, but Agendas like this will always remain a perfect gift

I've had Paulo Coelho's day planners for 3 years now and they are lovely. My friends know I love them and they just bought it for me as a birthday present. I couldn't be happier! The quotes just make your day better, and you have plenty of space for writing everything. I can't stand the

agendas without enough space! Catalina Strada's drawings are amazing while combined with Coelho's wisdom words

Paulo is my favorite author of all times. His life and books are a constant inspiration to me. The more I have his creations in my life the better my life is. This planner is just another perfect addition to my ever growing collection.

This is the second year I have gifted myself with Coelho's journal/day planner, and I couldn't be more pleased. The illustrations by Catalina Estrada are stunning and marvelous, and bring great delight as the year progresses; along with timely and wise quotes from Coelho's writings. I use the journal all the time, and am very pleased with the quality of the bindings, the paper, and the size - it is easy and beautiful to use. I was thrilled to see that there was one for this year after how happy I was with last year's version, and hope that they continue to publish for many years to come.

i buy one of these yearly for a few people in my life. the quotes in it are great and the illustrations are whimsical and magical all at the same time. it's great for keeping quick notes about daily happenings in your life, if you want to journal in it, or as a planner. the paper quality is excellent.

This is the 3rd time and year I've purchased this agenda. I'm a huge fan of Coelho. However, this agenda isn't only about his words of wisdom. It's about the work, effort and beauty he puts into it to make it worth putting on a shelf. I grab it to write a special moment and write about it. I grab it to read a special quote that can boost my soul. I grab it because it's beautiful and it makes me happy to look at the arts portrayed in the pages. Bottomline: I grab it because it is the one agenda/journal that open my soul to the universe and where I can share write my deepest thoughts. Obrigado seÃ or Coehlo. It's a great, unique and special gift. I love it! Get it!

This calendar is beautiful and the weekly thoughts to ponder are provocative. This calendar is last year's edition but I wanted to purchase it at the bargain price to "check it out". I will use this calendar for journaling and I now know that I want to purchase my 2016 edition of this calendar ASAP!
