## Customer Reviews

This calendar is awesome and all the pictures are paintings, which I thought was pretty cool :]

good-looking calendar with ILLUSTRATED characters each month (no photos, but drawings), including:luke skywalkergreedoboba fettchewythe emperorhan solocradosk (bounty hunter)yodastormtroopertusken raidersobi wandarth vaderprincess leia (on hoth)entire calendar is from eps. IV, V & VI.

I'm a big star wars fan. The calender looks great & the price isn't bad.

Great pictures inside this calendar..my son will love it

It would have been nice to see what the drawings were for the different months. The phallic symbol tower so prominent for January makes it almost not safe for work, but I'm hoping no one notices. The drawings are very well done.

With a family member who has been addicted to Star Wars since the age of 3, this calendar might be just the thing. It is a Christmas present, so I sure hope so!

Any calendar that lets me look at Star Wars and shows me the holidays is a great calendar. Great pictures, easy hang-ability, and tells you the days. What could be better?

My grandson loved all his star war gifts for Christmas I ordered at the last minute and all but one gift was here I am a very satisfied grandma
