Pocket Pigs 2015 Wall Calendar: The Famous Teacup Pigs Of Pennywell Farm

Synopsis

This little piggy strums a guitar. This little piggy enjoys an ice cream. And this little piggy rides in a wheelbarrow whee, whee, whee all the way home. Fuzzy, palm-sized, and oh-so-irresistible, the diminutive pigs of Pennywell Farm are naturals in front of the camera. Pocket Pigs is a year of portraits to make us squeal with delight. Sweet captions increase the cuteness factor.

My family LOVES this calendar!! Tried a different calendar one year, but returned to the pigs!! This calendar is of course cute, going over the scale, but what I love most, is that it has initiated a family gathering of sorts, a tradition, if you will, of "the flipping of the pigs". At the beginning of every month, we, "flip the pigs"(no peeking at future pigs)!!!!

My mom loves these calendars. I get her one every year. They always are beautifully done and arrived in pristine condition and most importantly in a timely manner as I always wait till the last minute.

Really great. My 10 year old saw in the store. I said "next time". Next time they were sold out. So to the rescue. It is so fun and so cute! She is very happy.

A cute calendar, fully of adorable little piggies. I bought this as a gift, and it got me lots of hugs. Mission accomplished, and such a good deal!

My mom is in love with pocket pigs so what better way for her to adore these adorable pets. I know she can't wait to get one for herself.

It is so cute! I really like that when I write something on it, it does not bleed through onto the next page.

My daughter loves the calendar. She'd already been planning to get some "pocket pigs."

came in a timely manner and item was just as described - my daughter loves it
