Customer Reviews

I purchased this as a because-it's-Friday kind of gift for my wife. She hated my calendar because there's too much scientific mumbo-jumbo written on each date. This calendar, however, has ample room for her to write a paragraph on most dates. I half expected it to have significant in-game dates, but that was a no-go. It only has holidays, moon phases, etc. Which wasn't a big deal for her. The artwork, however, is top notch. I was concerned that we were purchasing a cheaply made calendar with obviously outsourced art teams, but this is something I could see hanging in Metzen's office as well as any dev's cubicle. Ours is hanging in the kitchen. It's pretty versatile, if your house has walls.

Shipped quick, and packaged well. I have purchased this line of calendar for my kids for the last 8 years I think. It's become a tradition. They love this wall calendar and all the stickers it comes with. Depicts game art very well. Stickers include real life events and holidays and also marks in game events on the calendar to coincide with real dates. Great gift for the WoW players in your life.

I got this - for a second or third year in a row - as one of my wife's Christmas gifts, since she loves playing WoW so much. It is hanging on the wall above her computer desk, so she gets to enjoy it daily. The calendar is well-made, doesn't look cheap in the least, and provides some visually stunning artwork.

My husband surprised me with this. I was so excited when it came. I love the artwork. He didn't know it came with stickers. The day it came he came home from work and I was marking different holiday events, raid nights, pet battle weeks, pvp weeks, etc. with the stickers.

Even if the expansion wasn't ALL that great... the characters and art in this calendar are by far some of the best! This calendar's is by far one of the best yet! Love the art, love the character, stickers it comes with, everything. Recommend this to any die-hard World of Warcraft player!

Epic of course. It is what the description says it is;))

Typical WoW calendar

awesome illustrations, i am a warcraft enthusiast, great to have more hanging at my gaming station.
