Games For Your Brain: Ocean Cards

Synopsis

Why don't other animals eat sea slugs? Which planet has the highest volcanoes in the solar system? These fun and informative decks introduce players to the exciting undersea world or the mysteries of outer space. Kids of all ages can play Crazy Eights, Gin Rummy, and more as they learn scientific trivia.

Grade Level: Preschool - 7

Customer Reviews

I gave a copy of this to my sister who said it saved the day on a long car-ride with a five-year-old. The variety of games you can play with the cards makes it work for different ages and different attention spans -- and the cards are fun to look at and read even if no one feels like playing a game.
