# Scholastic True Or False: Dangerous Animals

## Synopsis

Fun, photographic nonfiction at its best from the authors of the successful Scholastic Question and Answer series. Scholastic True or False is a science series aimed at second and third graders in a fun question-and-answer format. Each book contains 22 true or false questions with a full-color photograph of dangerous animals on every page. Kids will read the question on the right and turn the page to see the answer on the left. Every answer also includes a bonus fact related to the question.

## Customer Reviews

Depending on the age of the children I felt this book was a little gruesome for my grand daughters ages 6 and 3. They were a little horrified when I accidently read a part where one animal ate another. Older kids may enjoy it.

The whole family learned a lot from this book. The kids enjoyed quizzing each other and their friends. The format is easy and appealing.

I am not going to waste my time on reviews and will only give a star rating.
