## Customer Reviews

This book contains lots of cute, unique, and tricky tongue twisters. HOWEVER, there is one (under the heading "Impress Your Friends") about Mr. Inside and Mr. Outside. Guess what they did? Committed suicide! Yes, it's a good tongue twister, but not exactly appropriate for young kids.....The book would be much better without it.

Six Sick Sheep is a book that helps emerging readers focus on the phonetics of individual words. I tutor children who are struggling readers, and I find the silliness of the tongue twisters hold their attention. They are forced to look at each word and sound it out, in order to read it correctly. I find this book an indispensable aid in my teaching.

Great resource for phonics reading lessons. My students love them and can't wait to try a new tongue twister each week. My family also loves trying to tackle a new one for fun.

I THINK THAT THE BOOK "SIX SICK SHEEP" WAS A FUNNY BOOK. I WAS READING IT AND COULDN'T PUT IT DOWN.NOW IN SCHOOL WE ARE DOING A FUN PROJECT ABOUT TONGUE TWISTERS AND I KNOW THEM ALL. THANKS TO THIS BOOK.
