# A Is For Animals!

## Synopsis

Learning about animals at an early age promotes an awareness of how important they are for society to survive. This coloring book introduces animals to your little ones. Coloring is an enjoyable experience that will make children experience learning themselves. It is also an activity that is widely recommended for its ability to feature necessary life skills like confidence, patience, focus and relaxation.

## Customer Reviews

These coloring books are so convenient to have in a kindle access. I can open a link and print out as many coloring pages for my kids as I want to, and they're very easy to access. Having portability is very convenient, all I need is access to a printer and I can print as much as I need. A great thing for a mom with three kids on summer vacation!!

I received no monetary compensation and I am not required to give a good review. This disclosure is in accordance with the Federal Trade Commissions Guidelines on Testimony and Advertising. I try to do my reviews honest with the pros and cons I can see myself in a product, with facts that a potential customer might find useful. If my review was helpful to you, would you please vote yes.

My new addiction is coloring books, helps me calm down, helps me relax, and for awhile just escape from life. My imagination is allowed to be as wild as I want, or as pretty or happy or sad, no matter

my feeling, I can make the pages just mine. The best part is that with each new book, I find new ideas for colors, or textures. Easy to take with me when we camp. Glad I found these coloring books for adults and kids. Kids shouldn't get to have all the fun.

Not a printable E-Book. Cute Pictures, but not worth getting if you can't print it.

Very cute artwork for kids to color.

great books for kids
